

Employee Benefits FAQ & Enrollment Guide

Comprehensive Summary of Health, Dental, Vision, and Wellness Programs

1. Eligibility for Employee Benefits

All regular full-time employees working 30 or more hours per week are eligible to participate in Acme Corp benefit plans. Coverage begins on the first day of the calendar month following your hire date. Part-time employees working fewer than 30 hours per week and temporary contractors are not eligible for health and welfare benefits.

2. Enrollment Period & Deadlines

New employees must complete their benefit elections within their first 30 days of employment via the HR Benefits Portal (<https://benefits.company.com>). If you do not enroll within your 30-day enrollment window, you will automatically be defaulted into basic employee-only high-deductible healthcare coverage and will not be able to make changes until the next annual Open Enrollment period.

Annual Open Enrollment takes place every year from November 1 through November 15, with changes taking effect on January 1 of the following year. Mid-year changes are only permitted within 30 days of a Qualifying Life Event (QLE) such as marriage, birth of a child, divorce, or loss of spouse's coverage.

3. Health Insurance Coverage

Acme Corp offers two comprehensive medical plan options administered through Blue Cross Blue Shield:

- **Premier PPO Plan:** Low deductible (\$500 individual / \$1,000 family). In-network preventive care is 100% covered. Primary care copay is \$20; specialist copay is \$40. Out-of-pocket maximum is \$3,000 individual / \$6,000 family.
- **HDHP with HSA Plan:** High-deductible health plan (\$1,500 individual / \$3,000 family). In-network preventive care is 100% covered. Acme Corp contributes \$1,000 (individual) or \$2,000 (family) annually to your Health Savings Account (HSA).

Important Note on Health Enrollment: To add dependents, you must provide supporting documentation (marriage certificate, birth certificate) to hr-benefits@company.com within 30 days of hire.

4. Dental & Vision Insurance

- **Dental Plan (Delta Dental PPO):** Preventive cleanings and annual checkups are covered at 100% (2 per calendar year). Basic services (fillings, extractions) are covered at 80%. Major services (crowns, bridges, root canals) are covered at 50%. The annual maximum benefit is \$2,000 per covered person.
- **Vision Plan (VSP Vision Care):** Annual comprehensive eye exams are covered with a \$10 copay. Prescription lenses are covered with a \$25 copay. Frame and contact lens allowance provides up to \$200 every 12 months.

5. Dependent Coverage

Employees may enroll eligible dependents in medical, dental, and vision plans. Eligible dependents include:

- Legal spouse or registered domestic partner (same or opposite sex).
- Biological children, adopted children, stepchildren, and legal wards up to age 26, regardless of student or marital status.
- Incapacitated dependent children over age 26 with physician certification.

6. Flexible Spending Accounts (FSA)

- **Healthcare FSA:** Contribute up to \$3,200 pre-tax annually for eligible out-of-pocket medical, dental, and vision expenses (available only to PPO participants).
- **Dependent Care FSA:** Contribute up to \$5,000 pre-tax annually per household for qualified child day care or elder care expenses.

7. 401(k) Retirement Savings Plan

Employees are eligible to participate in the Acme 401(k) Retirement Plan starting on their first day. Acme Corp matches 100% of employee contributions up to the first 4% of eligible salary. Company matching contributions vest over a 3-year graded vesting schedule (33% year 1, 66% year 2, 100% year 3). Both Traditional pre-tax and Roth after-tax contribution options are supported.

Benefits Support Contact: For questions regarding benefits, claims, or life event changes, reach out to hr-benefits@company.com or schedule a 1-on-1 consultation via the Benefits Portal.
